Artist Ed Steckley does it
again with this month's
super Survivor spoof cover!

This issue of CRACKED is dedicated
to its freelance artists
and writers, the greatest
creators in the biz!

A few months back, the TV show SURVIVOR debuted, and was an instant hit. Folks were seen Alying, back-stabbing, and doing everything they could in order to get ahead. In other words, it was just like a typical day at the average American office! We thought it would be fun to strand CRACKED'S crazy cast of characters on an island somewhere, to see which one would be the...

CRACKED

We were each allowed to bring ONE THING from the mainland, something we can't live without.

I brought a DVD! Anybody got a player?

I brought a BEER! ...BURP!...

I brought my GameBoy, but my battery's almost dead! Is there a charger around here?

I brought a change of underwear, just in case!

I brought my broom to clean up!

I brought a BOOGER!

MEOW! (I only brought one life!)

Well, Simpy, I guess you're the first one to get kicked off the island!

But you guys didn't even VOTE!

We didn't NEED to — you're the world's most hated man!

I'm gonna miss you guys!

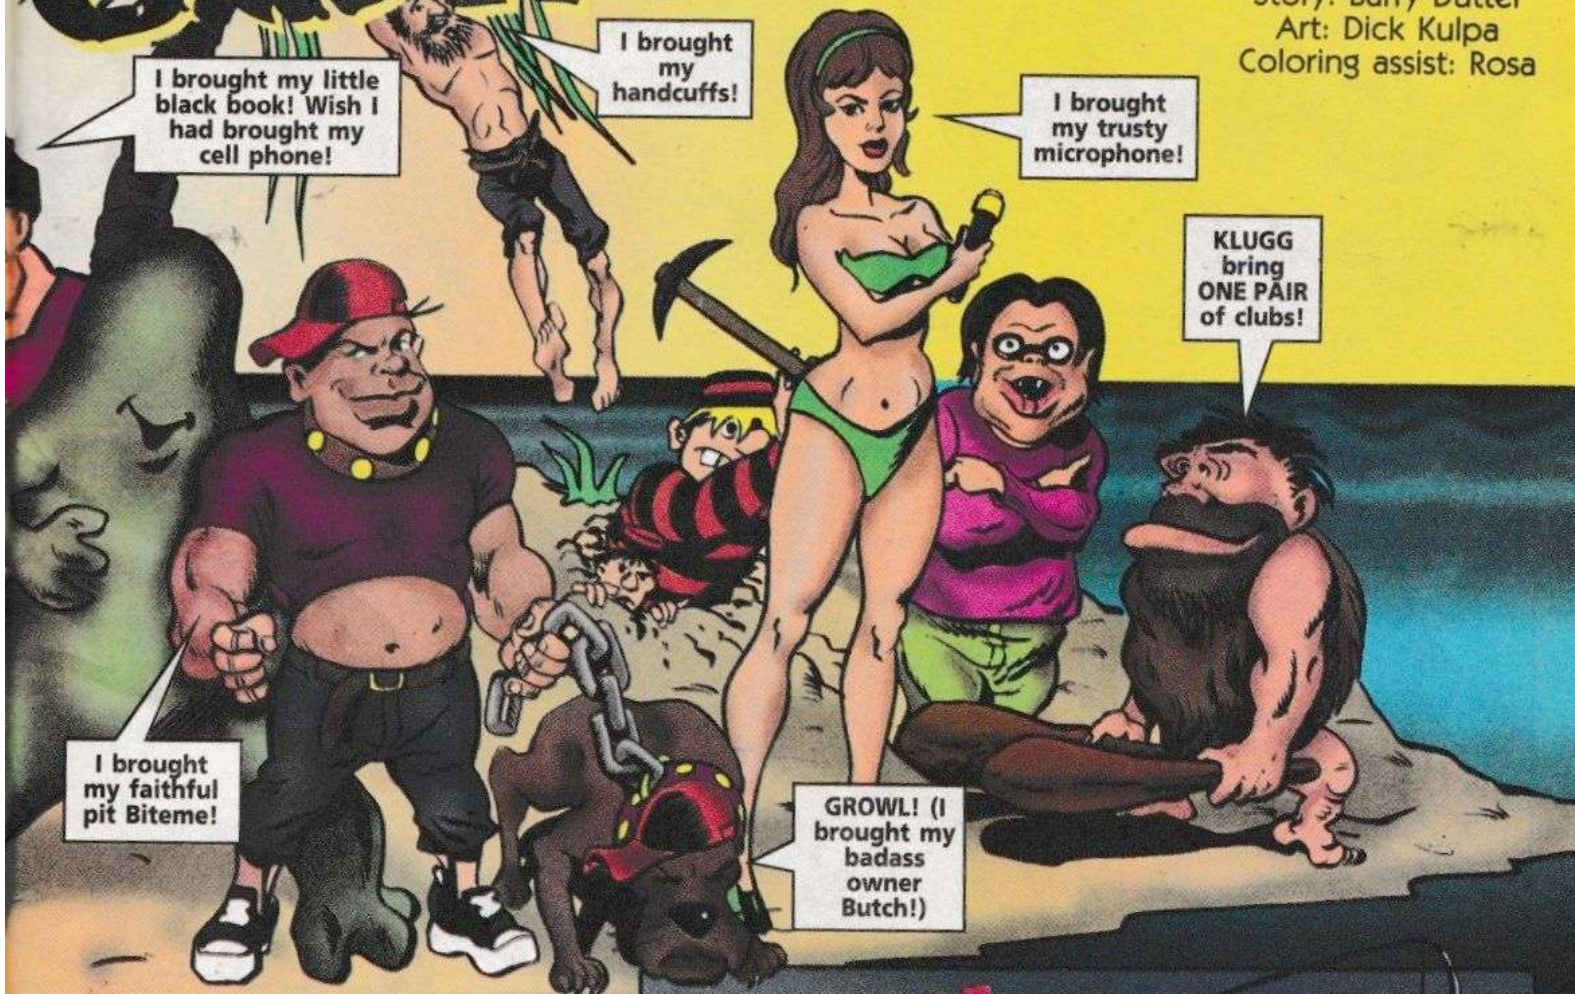

Don't DROWN! If you see Elian Gonzalez, tell him I said Hi!

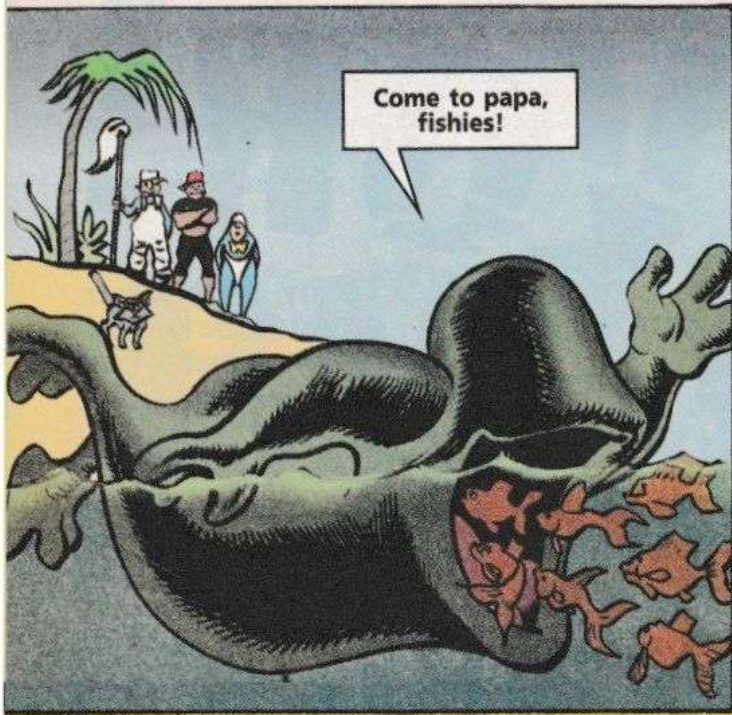

If any of you losers votes against me, I'll kill you!

GROWL!

SURVIVOR!

Story: Barry Dutter
Art: Dick Kulpa
Coloring assist: Rosa

Come to papa, fishies!

Ahhhh...delicious!

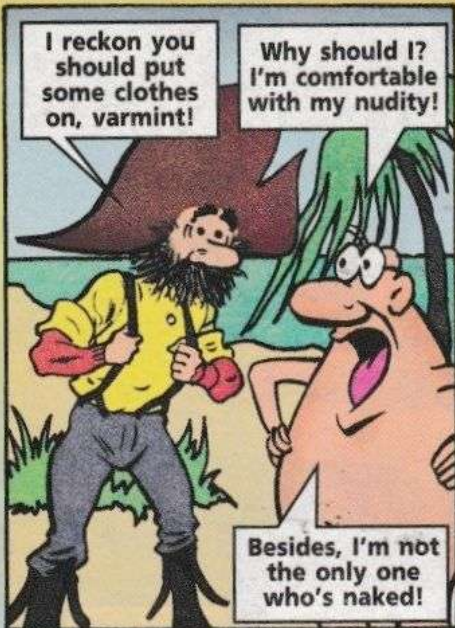

You were supposed to share those fish with us!

Oh.

Here! Help yourselves!

BURP

I reckon you should put some clothes on, varmint!

Why should I? I'm comfortable with my nudity!

Besides, I'm not the only one who's naked!

Look, Talking Blob is naked, too!

I'm not really the Talking Blob! I'm wearing a disguise!

I'm really that mean prison guard who always chases HUDD & DINI!

Whoops! He caught us again!

GREAT! We finally made it into the New Cracked!!

You're busted too, Hang-Ups Guy!

RATS!

We have to have an immunity challenge! First event is the BIKINI COMPETITION!

DAMN! I forgot my bikini!

And the winner is...NANNY DICKERING!

Surprise! The only chick on the island wins!

Damn! I thought I would win!

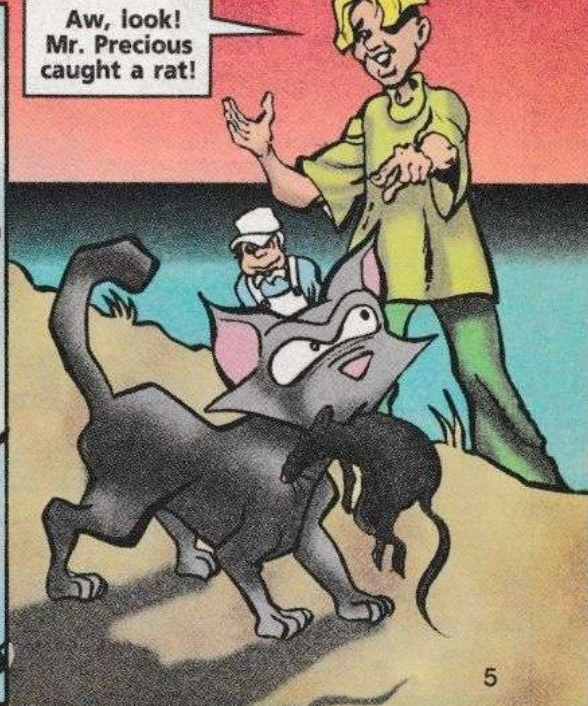

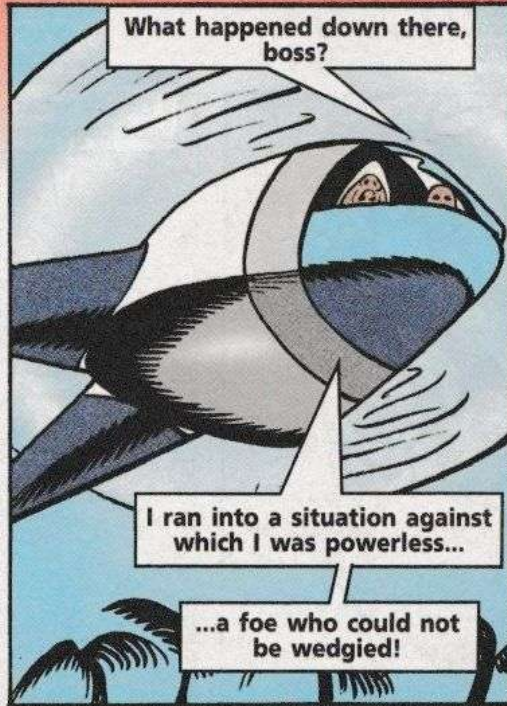

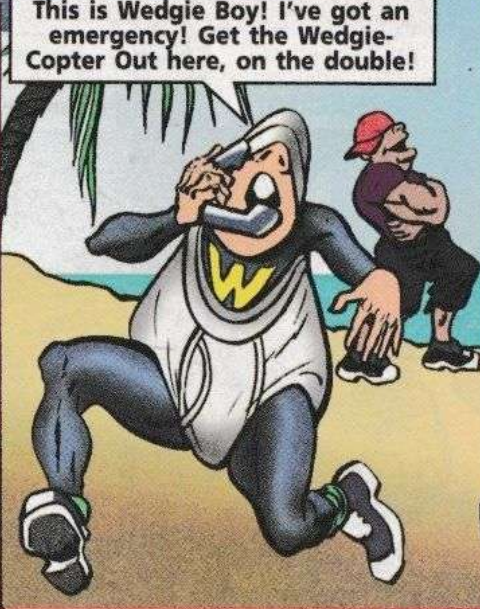

SIMPY! What are you doing here?!?

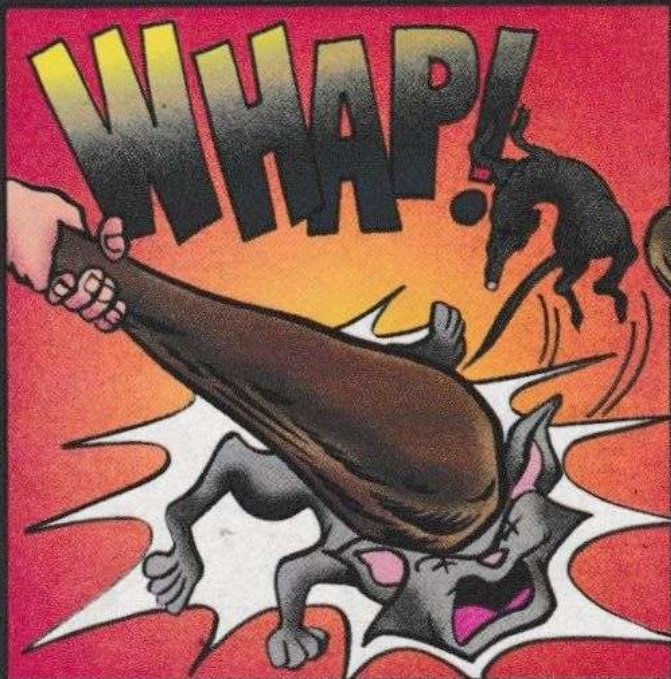

And this time, stay off!

(singing) Nobody likes me, everybody hates me...

...I'm gonna eat some worms!

Oh my God — you killed Precious! Klugg, why did you DO that?

Cat, too! CHOMP CHOMP! BURP!

Klugg hungry! Rat good food!

That does it! I'm sick of this guy! I don't even know who the hell you are!

Me Klugg! Me have new feature in CRACKED!

Yeah? Well your feature has only appeared ONCE!

I'm voting this cro-magnon creep off the island, along with these other newbies who have one or less appearances in the mag!

That includes Joe Studd and Chip Hacker, Computer Geek!

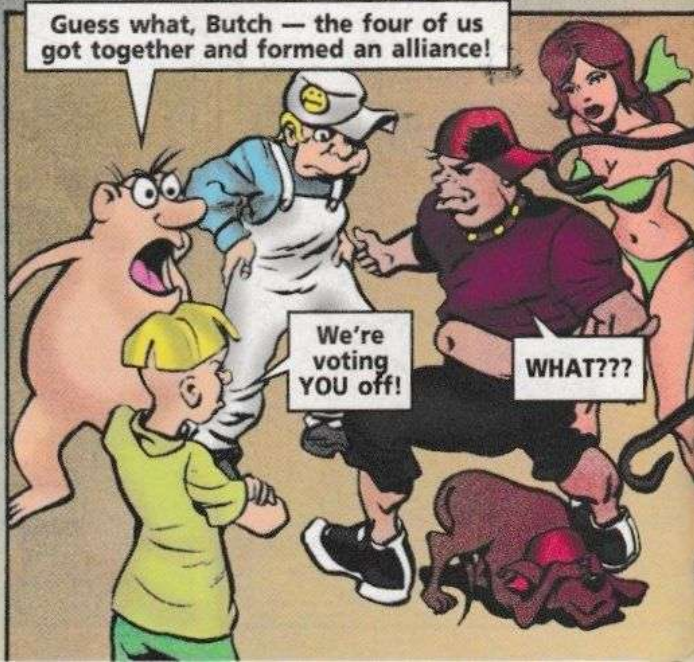

EDITOR'S NOTE: Don't worry! You'll be seeing lots more of these guys in the future!

As for Sagebrush and Melbin Uggly, your features have no future!

Anybody who hasn't appeared since the 80's is OUT!

Guess what, Butch — the four of us got together and formed an alliance!

We're voting YOU off!

WHAT???

TA-TA!

This sucks! Now I'll never win that MILLION BUCKS!

Well, Nanny, it's just you and us three guys left!

Let's make babies!

Where are you going?

I just voted MYSELF off the island!

(Psst, Sylvester! Cecil told me he wants your job as CRACKED mascot!)

(HEY! I've held that job for 43 years!)

I guess we'll have to vote him off the island!

Sylvester, you traitor! You voted against me!

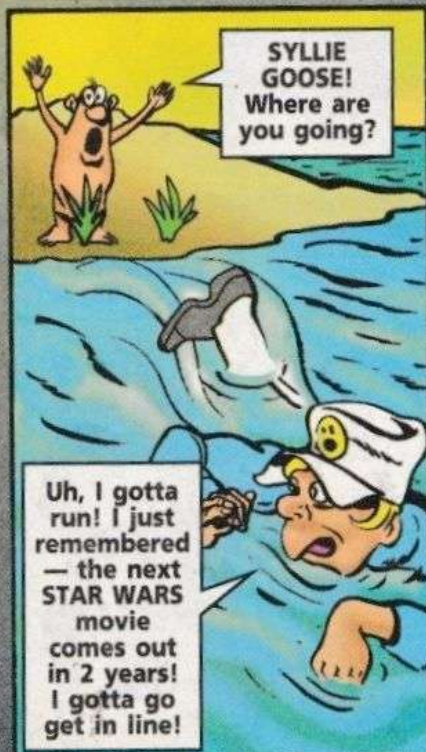

Sorry, kid! It's survival of the funniest!

Well, Naked Guy, it's just you and me now!

Yeah, Syllie. You and me will be spending lots of time together.

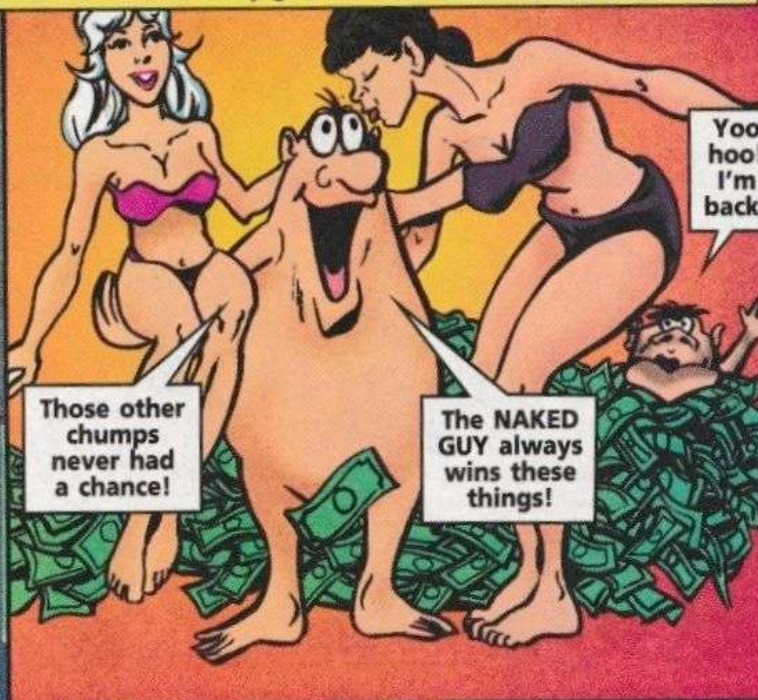

I'm just glad you're comfortable with my HOMOSEXUALITY!

SYLLIE GOOSE! Where are you going?

Uh, I gotta run! I just remembered — the next STAR WARS movie comes out in 2 years! I gotta go get in line!

And so, the Naked Guy gets the million dollars & the hot babes!

Yoo hoo! I'm back!

Those other chumps never had a chance!

The NAKED GUY always wins these things!

Maybe the naked Guy survived this issue of Cracked, but I'M still Cracked's mascot!

WEDGIE BOY!

It's a dangerous day on the subway platform!

Hey, there, cutie! I've got a train you can ride-and you don't even need a token for it!

Come with me, beautiful — we can watch the subway races!

Go away you creeps!

It's a nerd — it's a pain...

I'm Wedgie Boy!

Who the devil is this?

You're kidding, right?

Let's get this Fruit of the Loon!

I hope you boys brought some clean underwear with you.

Behold... the awesome power of WEDGIE BOY!

YOUCHI!

MAMA!

Wow! I did a double wedgie! Only in Cracked Magazine!

Wedgie Boy, you are my hero! (I think!)

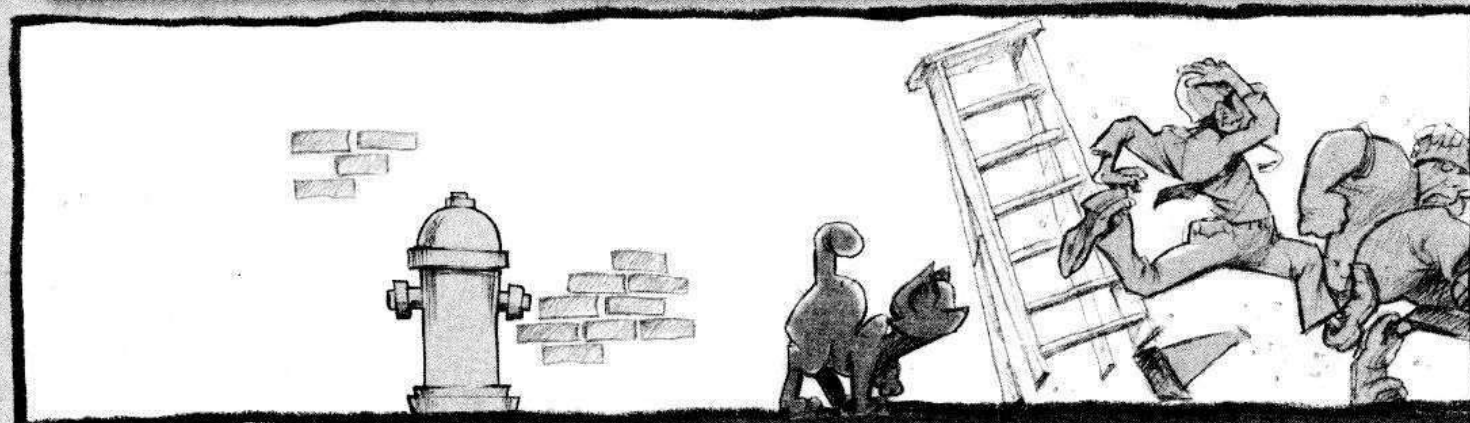

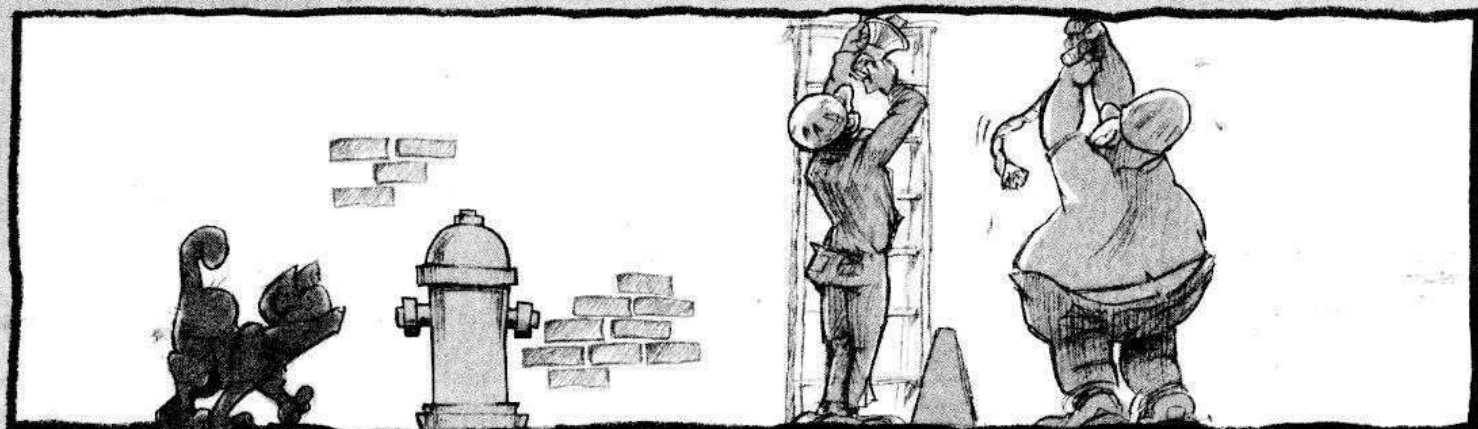

Let me be the "fist" to congratulate you!

WRITTEN and
CARTOONED
BY DON ORTEK

A black and white cartoon illustration. On the left, a woman with short dark hair, wearing a dress and a necklace, holds a clipboard and looks surprised. In the center, a boy with glasses and curly hair, wearing a striped shirt, points towards a display. On the right, another boy with glasses and curly hair, also in a striped shirt, looks excited. The display consists of a string of papers. One paper says 'WRITTEN BY: DAN FIORELLA'. Below it, a sign says 'CLONING'. To the right, another sign says 'ART' with a drawing of a face, and below that, a sign says 'Cartoons'. The background is simple, suggesting an indoor setting.

A speech bubble from him says 'pull my finger'. The boy on the right, wearing a checkered shirt, looks on with a surprised expression. The background features a wall with signs for 'NATURAL' and 'GAS'. A box of matches lies on the floor.

DISCOVERING
THE TRUTH
THE MORNING
AFTER!

Wassup... I'm Cecil, **CRACKED's** phat movie critic! A few years back, Tom Hanks won the Academy Award two years in a row. Since then, this once-funny actor has become the most serious man in Hollywood! Every movie he makes now is long, pretentious, and boring! That certainly is true of his latest flick...

CUSSED AWAY!

I can't believe that plane crashed! Well, at least it was a **Sped-Hex** plane — for when you absolutely, positively have to crash overnight!

Actually, this whole movie is like a big two-hour commercial for Sped-Hex — aside from that little bit about the plane crash!

Now I'm stuck on a desert island, completely alone! Oh well, at least there's no chance of any **Tribal Council** voting me off!

There are so many things I'm gonna miss: beer, pizza, cable TV, beer, the internet, pro wrestling, beer...and - oh yeah! - **my wife!**

Mama says life is like a box of Crackerjacks! Sometimes you get a prize . . . and sometimes you get a big NUT!

Tom goes for long periods without speaking in this movie. I just wish Adam Sandler would do that in HIS movies!

Ooh, that's gonna leave a mark!

STABB

The last time Tom was on an island was JOE VS. THE VOLCANO! After that bomb, you'd think he wouldn't want to do another island movie!

Wait a minute! I just remembered - I hate seafood!

Hmm... business is a little slow today.

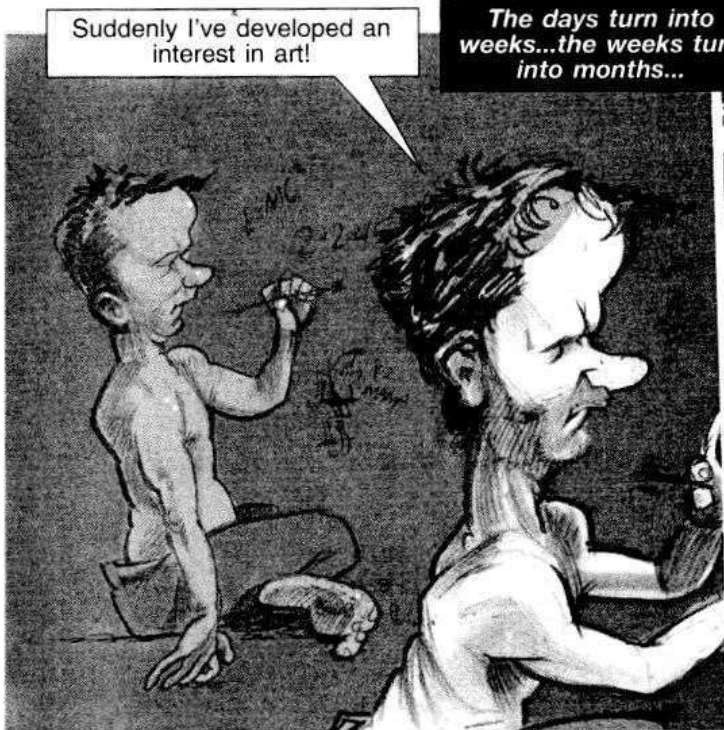

Man, these dead fish really stink after a few days..sniff, sniff...or maybe it's just me. I haven't bathed in a month!

Wilson, you're my best friend. My only companion. My confidant.

I guess it's a little weird, that a soccer ball is my best friend. But I heard the guy on the NEXT island uses a SHELL PHONE! What a weirdo!

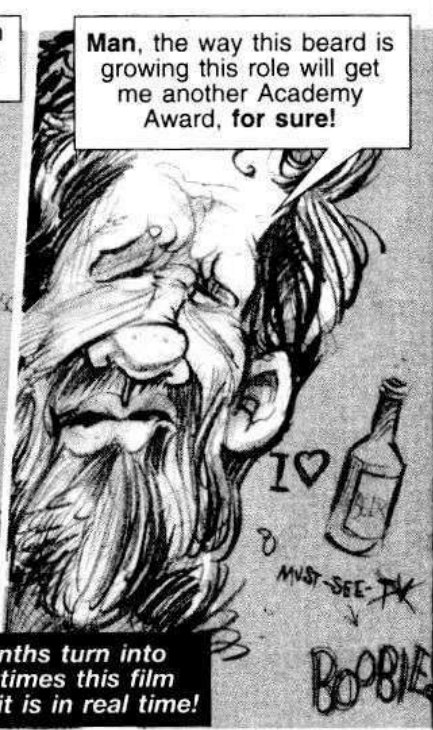

Suddenly I've developed an interest in art!

The days turn into weeks...the weeks turn into months...

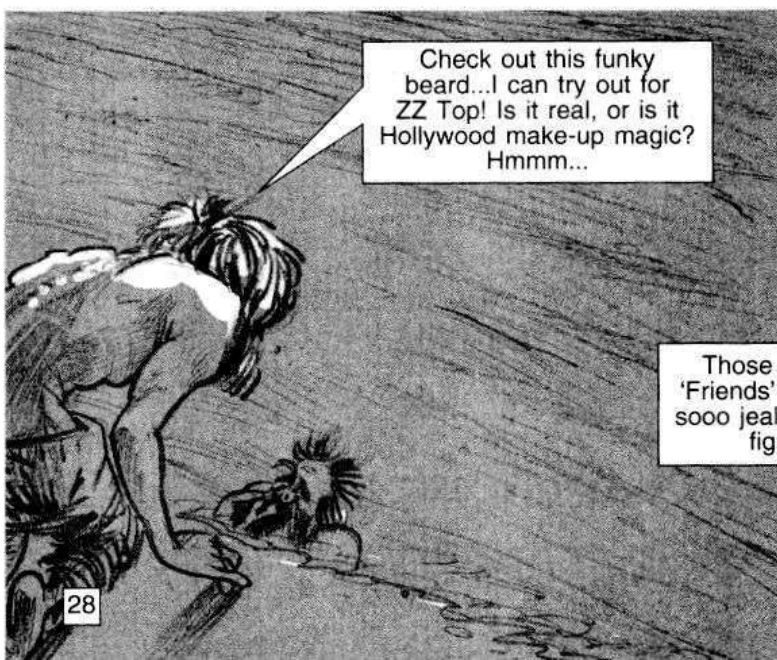

I figure, this is the closest I'm going to get to a real woman on this island!

Man, the way this beard is growing this role will get me another Academy Award, for sure!

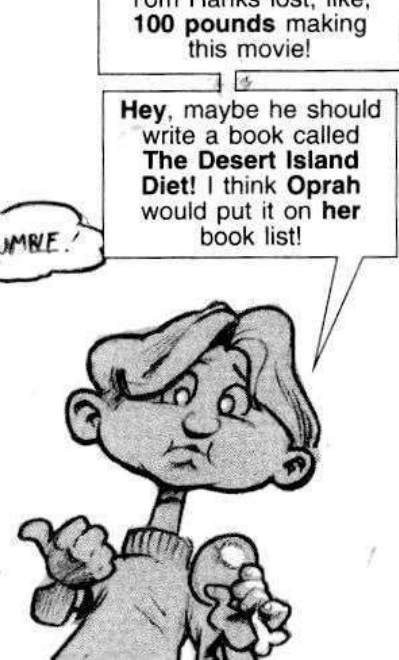

...the months turn into years! At times this film seems like it is in real time!

Check out this funky beard...I can try out for ZZ Top! Is it real, or is it Hollywood make-up magic? Hmm...

Those girls on 'Friends' would be sooo jealous of my figure!

Tom Hanks lost, like, 100 pounds making this movie!

Hey, maybe he should write a book called **The Desert Island Diet!** I think Oprah would put it on her book list!

It looks like I'm not alone on this island! I've found a hut! I wonder who lives there!

I've devised a way to build a raft out of old chewing gum, shoe laces and bits of palm fronds indigenous to this geographic location. It should be sufficiently seaworthy to get us back to civilization!

Soon, Tom arrives home...

Hi, honey, I'm home.

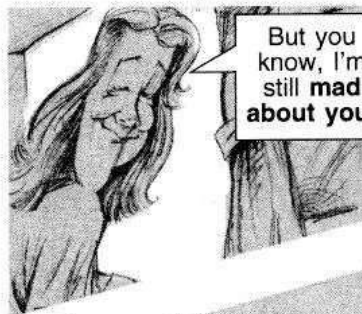

It's about time you got back. You forgot to take the **garbage** out before you left!

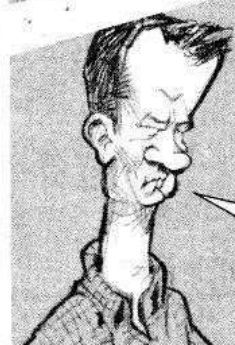

Why don't you all go on ahead, leave me with Ginger and Mary Ann. We'll stay behind, in case the rest of you don't make it!

I can't believe I'm finally being **rescued**! There are so many things I can't wait to use again... a tooth-brush...deodorant...**toilet paper**!

But you know, I'm still **mad** about you!

Sorry, honey, but we can't back together. I've got a new partner now.

I'd like you to meet my new girlfriend, **Wilson**! I really had a **ball** with her on that island!

Hey, mister! Welcome to the island. My name is Gilligan!

I've got the top bunk, but you and my li'l buddy can fight over the bottom one!

Oh great. I'm trying to do a quality film, and I get stuck with these sitcom rejects!

And this coming from the guy who used to star in 'Bosom Buddies?'

Captain Clooney, it looks like we might be heading into a **perfect storm**!

Aww, shut up, ya big baby! A little rain never hurt anyone.

This movie is so lame, it actually makes the TV show **Survivor** look cool! At least on that show, they ate rats! As for Tom Hanks, he should go back to doing wacky comedies! I'll keep waiting for **BACHELOR PARTY 2**!

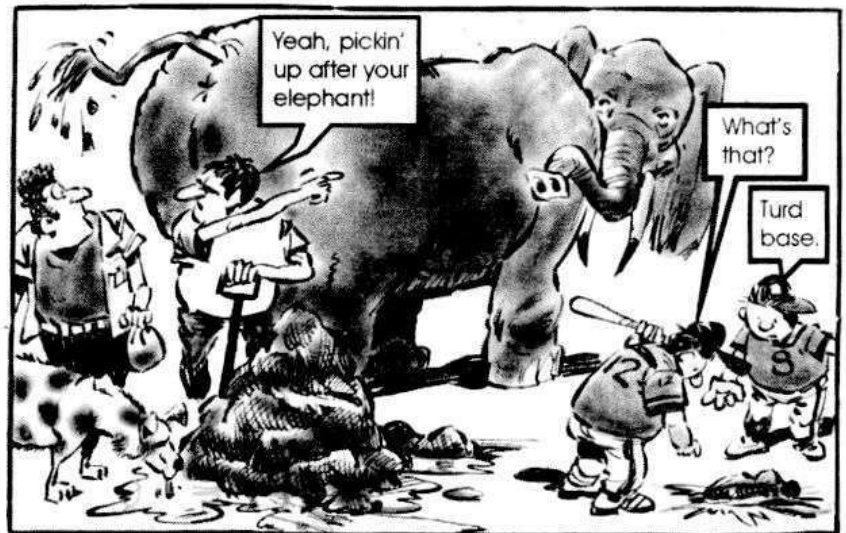

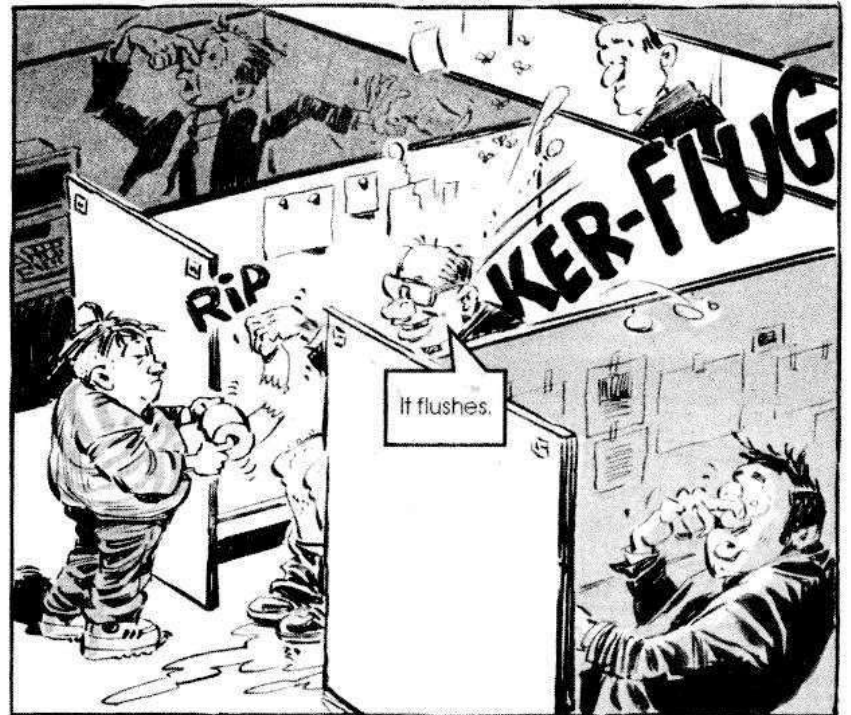

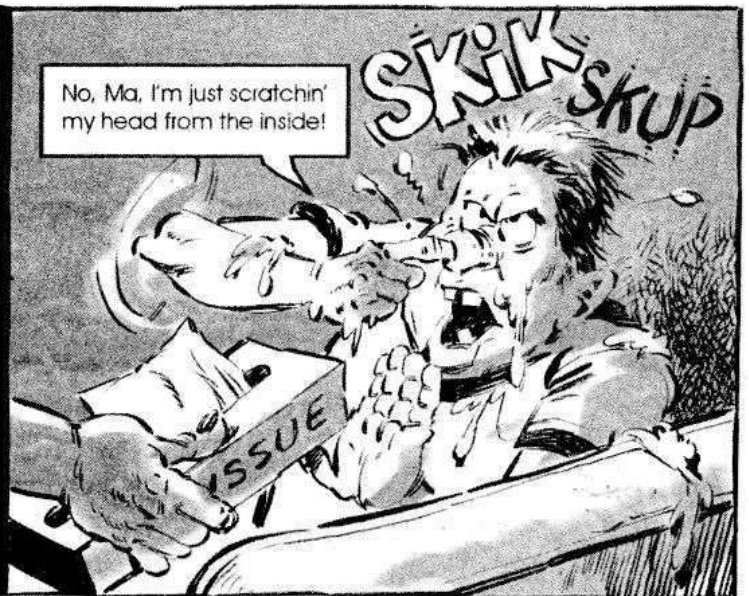

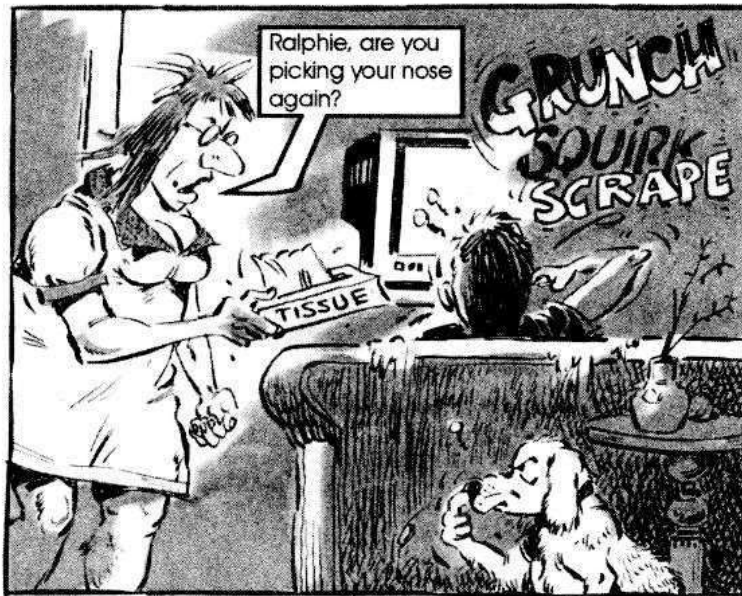

END!

Where do you look for **almost**-useless information, when the **Dictionary** doesn't have it? Ri-ight -- the **Encyclopedia**! But what if you **aren't** looking for stuff about **cycles**? What if you want to know something about **cars**??? We figure it's time for...

AN AUTO PEDIA

...A **Nelson Dewey** collection of definitions, explanations, and other car-zy things you may have wondered about, but never bothered to ask!

BUMPER HOUND

Like a dog you just can't take for a walk, without it sniffing the butt of every other dog it meets -- the **BUMPER HOUND** just can't keep the nose of his car more than a half-inch away from the car in front.

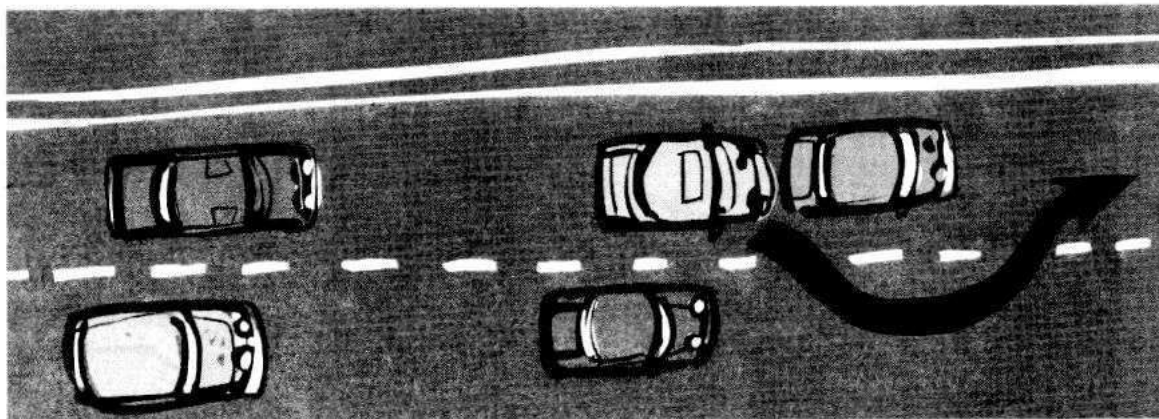

DIMMER SWITCH

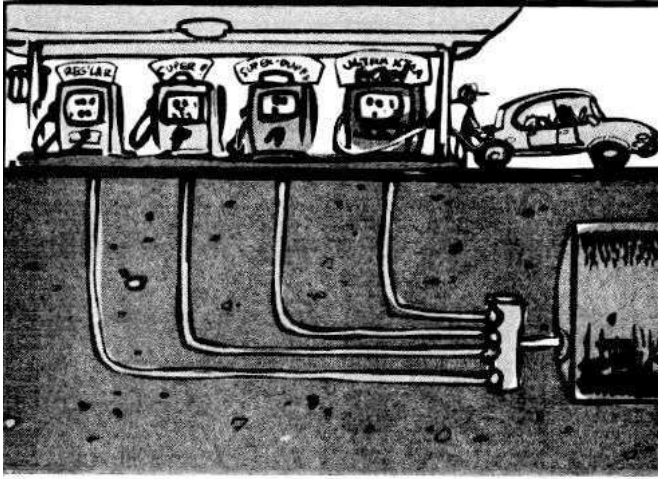

Nothing to do with "High-Beams" or "Low Beams" -- this electronic **timer** switch **waits** three days **after** you've replaced a burned-out headlight... then sends a jolt of high voltage through the **other** one, burning it out -- just to annoy you.

THREEDLE

What a Bumper Hound does when he gets tired of his present relationship; he "threads-the-needle" -- changing lanes through a gap smaller than a car-length.

MORE . . .

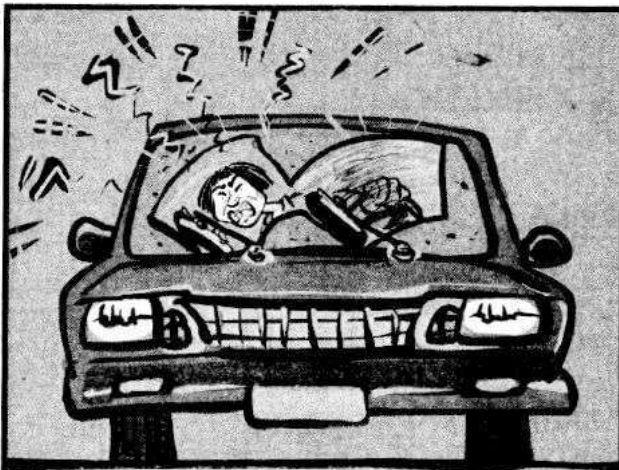

4-PLAY VALVE

The four-way valve on a gas station's underground storage tank that allows the **same** gas to go to the "Regular", "Hi-Test", "Super-Premium", and "UltraMax Infinity Blend" pumps.

SQUINT

The unreadable **fine print** that momentarily flashes at the bottom of the screen that says, no matter **what** the car commercial **claims or shows** -- if you buy the car, you **won't** have the road all to yourself; your **sex life** won't improve tenfold; and if **you** try driving the way **they** do, you'll probably lose your license and face five to seven years in the slammer.

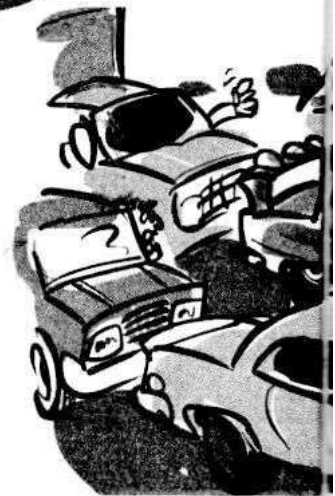

BLEEETCH!

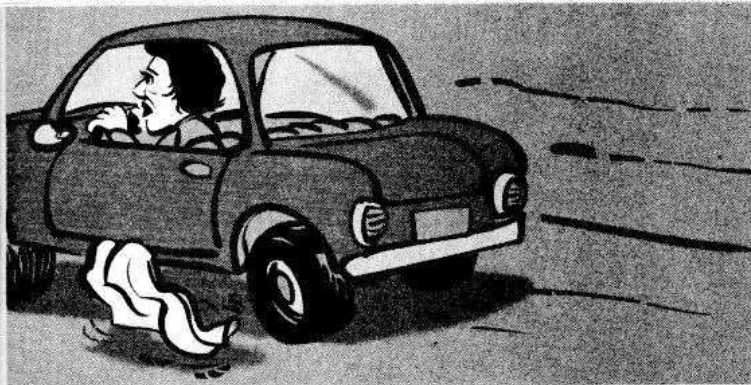

The secret ingredient in windshield washer fluid that makes wiper blades **SCREEEEEECH** and leave opaque blotches on the driver's side of the window.

PLUBBLE

That puddle of oil, anti-freeze, brake fluid, grease, cigarette butts, spilled coffee, and sunflower seed shells that accumulates in parking lots and next to parking meters.

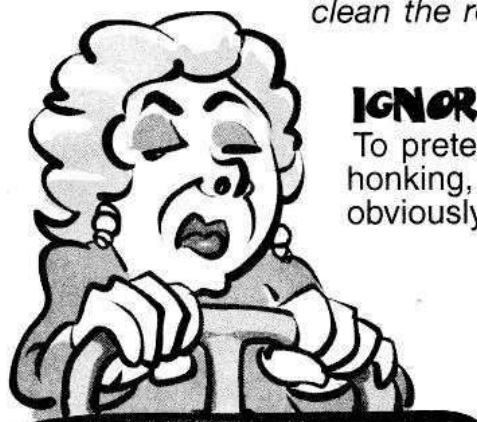

DRAGGAGE

The part of a coat or dress that's designed to hang out the bottom of a car door and sweep dirt, oil, and other plubble off the road.

DRAGGAGE-FLAGGER

When another driver sees your draggage and thinks you didn't really want to help clean the road -- and tries to get your attention by waving, honking, pointing and making peculiar facial expressions.

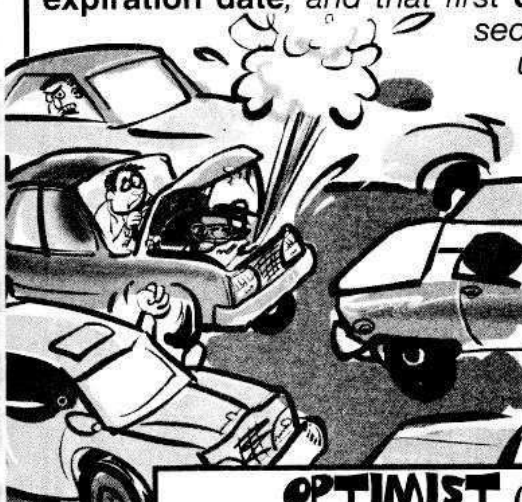

IGNORANCE

To pretend not to notice someone waving, honking, pointing, and making faces -- obviously someone trying to hit on you!

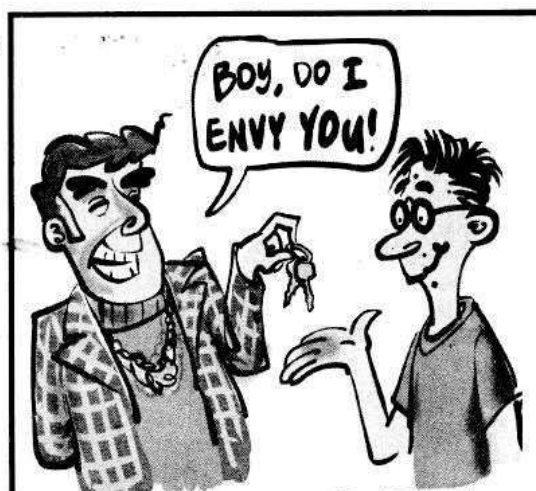

POST-PURCHASE DEPRESSION

The feeling you get 30 seconds after you drive your new car off the lot... and realize it just **depreciated** in value by ten grand; the **warranty** is racing towards its **expiration date**; and that first **dent** can happen any second now. Truly -- and unfortunately -- it **doesn't** get any better than this.

OPTIMIST (3)

A driver who collects change in that little built-in coin-holder -- believing that **some day** they'll find a **parking meter** that will accept pennies.

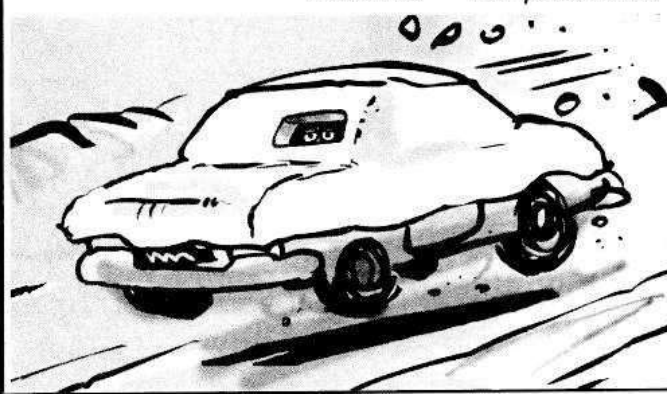

OPTIMIST (1)

Someone who buys a car believing **their** life will become as glamorous and carefree as the people in the commercials.

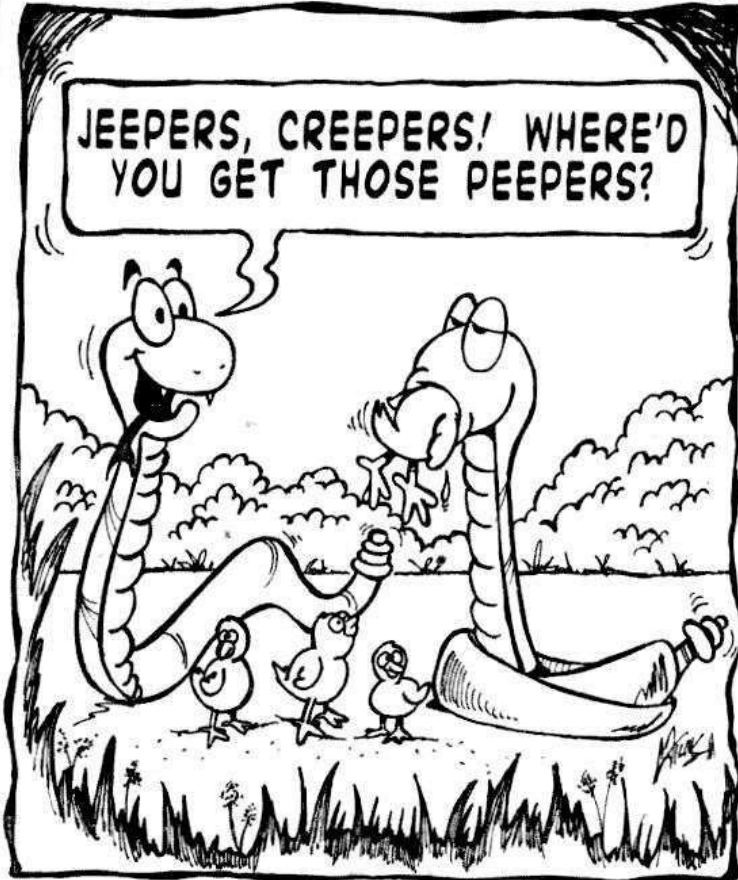

OPTIMIST (2)

Driver who cleans only a tiny **peephole** of snow, ice, or mud off their windows, believing it'll melt or wash away in 30 or 40 minutes -- no problem!

ADP/ARTIST

The TV networks are under a lot of pressure these days to put more minorities on their shows. But you'd never know that by watching TV's #1 comedy, which features a cast that's whiter than a cotton ball in a snowstorm! This show features an incredibly attractive group of young people who are getting skinnier every year. In fact, some of the actors on the show have lost so much weight, they could call the show...

Meanwhile...

Moss, meet my new girlfriend, Sholanda!

Where'd you meet her? I didn't know there were black people living in New York!

I strolled over to the UPN neighborhood, where my home-girl, Moesha hooked me up!

Well, it was nice knowing you, Sholanda!

But I'm not leaving any time soon!

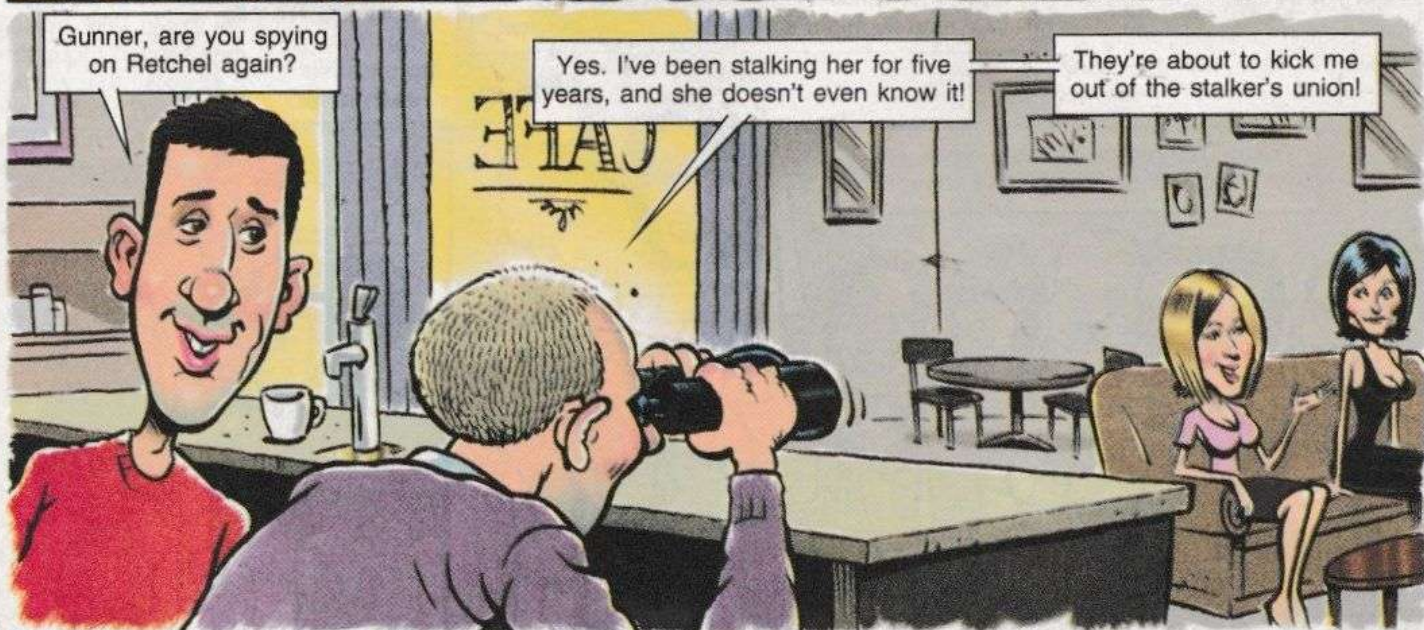

Yes you are! Don't you know that the people who we date on this show never last! That's why we can only date within our own group!

Gunner, are you spying on Retchel again?

Yes. I've been stalking her for five years, and she doesn't even know it!

They're about to kick me out of the stalker's union!

Meanwhile, Monniker competes in a beauty contest...

Is this contest to determine the most beautiful woman in New York?

No, it's to determine the skinniest! I'm up against Ally McBeal and Celene Dion!

Do you think you'll win?

I will, as soon as I stick my finger down my throat again!

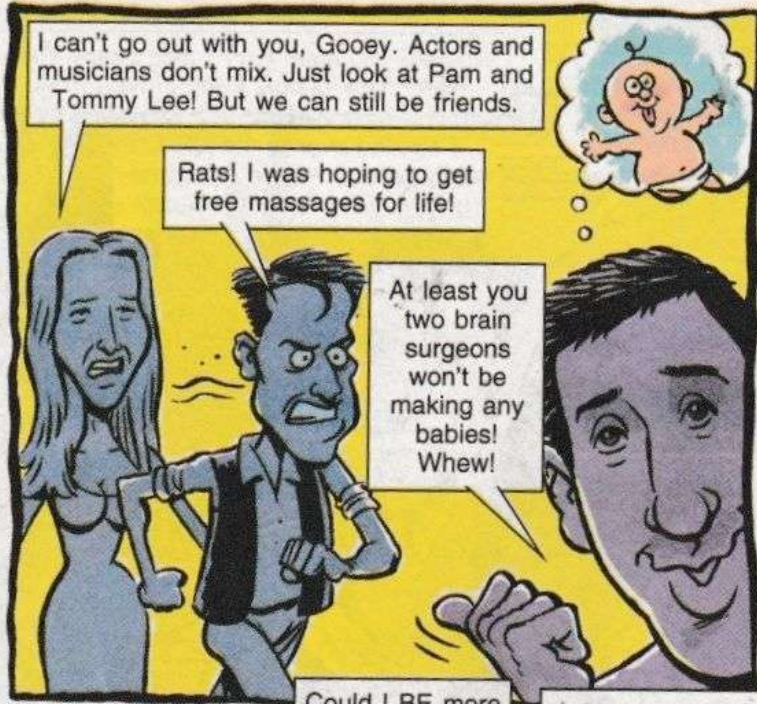

Hey, Feeble, I was thinking — we're the only two people on this show who haven't hooked up yet!

You and me as a couple? I dunno. It can be very difficult for someone to date a musician.

That's OK, I've heard you play guitar. Believe me, you're no musician!

I can't go out with you, Gooley. Actors and musicians don't mix. Just look at Pam and Tommy Lee! But we can still be friends.

Rats! I was hoping to get free massages for life!

At least you two brain surgeons won't be making any babies! Whew!

I can't believe we're finally doing our big wedding episode! Hello, ratings! Hello!

I can't wait till our honeymoon! We can use our free time to make some more sucky movies!

Yeah! That million bucks a week we get doing this show just isn't enough!

Could I BE more in love with MONNIKER? Could we BE more perfect for each other?

Could you BE more annoying? Could I BE having second thoughts about this whole thing? Hello, bad idea! HELLO!

Hey, everyone, I have an announcement to make! I've realized that I've found my perfect man, too!

Retchel, this is great! Now you and me can get married, too!

Not YOU, Moss! I'm talking about HIM!

BRAD PITT! You're marrying HIM instead of me?!!

Sorry, Moss! But you're a nerdy museum geek, and he's a HOTTIE! It was no contest!

Could you BE a bigger loser?

for **CRACKED** Magazine!

Over 43 years, **CRACKED** has been privileged to feature work by some of the greatest comic artists of all time. John Severin is the most prolific talent whose work has graced our pages. His work has appeared in every single issue. Don Orehek is another guy who has been with the mag since issue #1 — since 1958! Among the legendary artists who contributed to **CRACKED** in the fifties and early sixties were such superstars as: Bill Everett (creator of the Sub-Mariner), Carl Burgos (creator of the Human Torch), and even the great Jack "King" Kirby (creator of just about every other character ever invented!) Other comics superstars who had their hand in **CRACKED** included legendary **MAD** Magazine artists like Jack Davis and Will Elder! Also featured were such Golden Age greats as Joe Maneely, Bill Ward, Gray Morrow, and many more! (Not to be confused with Manny Moore, the guy who cleans the **CRACKED** toilets!)

We are proud to have such an amazing legacy of top talent. Who knows which of our current artists will be included in this pantheon in years to come? Who do YOU think?

BUT CRACKED

Dear **CRACKED**,

Don't you just hate Sally McBeal? She is soooooooooo ugly! Make fun of her some more! Man, she is lighter than air! And Britney Spears! Put some tape over her mouth! She cannot sing at all! You guys are funny! Keep it up! I'm surprised you didn't do anything about Pokemon or Digimon!

Thomas H.

Via the internet

We don't hate Smelly McSmeal! We just like making fun of her! Do you really think she is skinny? To be honest, we hadn't noticed! As for Britney . . . she makes us miss Debbie Gibson! Now there was a real talent!

Hello,

I have been reading your magazine since the mid-70s. I have bought several back issues on Ebay. Those magazines brought back memories of my youth (all bad!)

Tom, St. Albans, WV

Via the Internet

Keep reading **CRACKED**, and we'll help you create lots of new memories (also all bad)! **CRACKED** Magazine - contributing to the delinquency of minors since 1957!

Dear Editor,

I am writing to say that your magazine is really cool. Please do an issue where you make fun of Scooby Doo and those other 70s dudes! Ha ha ha!

Tyler Shaner, age 9

Via the internet

Tyler, you must have really loved our Halloween issue (**CRACKED** #350), where we had both Scoopy Poo and a spoof of That '70s Show! It was everything you asked for!

Dear **CRACKED**,

I like the new **CRACKED**. Since it is a New **CRACKED**, I think that you should always have a response page for us, the readers. That is one thing I look for in a magazine. And don't put fake letters. I want to read what real

people have to say about **CRACKED**.

Stephen Oliver
Fortwhite, FL

Thanks for writing, Stephen. (You are a REAL person, aren't you? We prefer all our readers to be REAL ones, not FAKE ones!) When we first started out, we weren't getting a lot of mail, so we had to make it up. Now we get tons of mail, so we won't ever have to make up any fake letters again!

Dear **CRACKED**,

You guys rock! You are the #1 mag of all time! I am a **CRACKED** fan for life! You all deserve big raise, especially the guy who writes the answers on the letters page!

Did I mention that you guys rock?

Kevin "Cracky" McCracken

Cracked Corner, CO

Dear Kevin: You are a real fan.

Thanks for the kind words. We are all about keeping it real!

If you have a question for Butch the Bully, email it to Butch@cracked.com

YO! BUTCH!

Yo, Butch!

I have four or five girls after me. What should I do?
Connor Guerrero
Spokane WA

Yo, Con-Man! Tell your sisters to leave you alone and stop buggin' you! Next question!

Yo, Butch!
My dad yells at me for playing computer games all the time. Do you have any advice for me?

Mario N. Tendo
Duluth, MI

Yeah. The next time your old man gives you flack about playing computer games, threaten to tell your Mom about those "naughty" sites your Dad checks out when he thinks everyone is asleep! That'll shut him up real quick!

Meet artist Kent 'K-Toons' Kennedy!

Of all the members of the Kennedy Family, Kent has always been our favorite. He's a better artist than JFK... he's funnier than RFK... and he's a better driver than Teddy! So even though he never slept with Marilyn and he may not ever be elected President, Kent Kennedy has got our vote for being one of our favorite funnymen!

Q: Where are you from?

A: Michigan. And no I can't sing the fight song.

Q: What else have you drawn, besides Cracked art?

A: Horses, dummies and many other things that were proudly displayed on my mother's fridge. Also an occasional bath.

Q: Any favorite features you've drawn for Cracked?

A: My first one: "Divine Intervention." Any time you can draw a barbecued angel you gotta' like that.

Q: What do you do in your day job?

A: I'm a bagger at the local Piggly Wiggly. FYI canned peas are on sale in aisle six.

Q: Favorite Junk food?

A: Does beer count? If not Cool Ranch Doritos or pork rinds.

Q: Favorite movie or TV show?

A: Porkys 7 and the Home Shopping Channel. Actually it's Citizen Kane and the Simpsons.

By Nanny Dickering

Kent's self-portrait

Q: Favorite Boy band?

A: The Village People and the Indigo Girls

Q: Any unusual hobbies or pets we should know about?

A: Actually it's a combination of both, but my lawyer says I shouldn't talk about that until the trial is over. Aerosol cheese. who knew?

Q: Ever done any time in

the pokey?

A: No. But there was that one weekend with Gumby.

Q12: Who are your artistic influences?

A: Besides the tattoo guy down the street, Charles Schulz, Chuck Jones, Will Eisner and Wally Wood. Not that I can draw as well as any of them, but they got me started.

NEXT ISSUE: In CRACKED #353, WEDGIE BOY takes over! That's right, our favorite super-hero and dispenser of wedgies will star in his first feature-length story, as he launches an all-out assault on the Justice League! Want to see Superman get a wedgie? Check out next ish! Plus: the Mascot Wars continue! Will Sylvester be overthrown, or will he continue his domination of this mag? Plus: Simpy Dumpkins, Klugg, Mr.Precious, the return of Hannibal Lecter, and much, much more!

Dear CRACKED,
My husband being an avid reader of CRACKED for close to 35 years, I find the latest issue of CRACKED #350 opened to Scooby-Poo and my two children, ages 5 1/2 and 4 laughing and carrying on. Come to find out, their favorite cartoon dog is taking a dump in front of the Mystery Machine while Daphne is holding her breath. Next, Scooby is squirting yellow juice onto a tree. After sniffing himself and his turds, Scooby leaves a trail to follow and ends up getting the #%!@ scared out of him!

Being a concerned mother, keep up the good work!

Marky & Trey's Mom
Comstock Park, MI

Ya know, the higher we try to raise our age group, the younger it gets -- go figure! Our editor always wanted to see a cartoon dog do-do just like his real dog, and finally got the chance. (By the way, he now owns 8 cats -- watch out, Garfield!)

NON-CORRECTION!

Mega Media Corporation now owns Cracked Magazine, and if you come across the word "Megazine," it is NOT a misspelling...heh.

Stop by www.cracked.com and meet our new CEO, Dick Kulpa.

Dick is the former art director for Weekly World News and has drawn for the LA Times Syndicate, Tribune Media Services, Inc. (Remember Ghost Story Club?) and CAR-Toons Magazine! (Better hurry...we dug up a photo of Dick wearing superhero tights from way back in his city council days, and posted it online! Shhhh!)

It seems like every product has a warning label detailing the dangers of inappropriate use, but we figured some people are just too stupid to even understand the word 'appropriate', so here are some ...
